(Breakfast, Dinner)

Leaving the rainforest behind, fly to Cusco, one-time capital of the Incan Empire, set high in the Andes mountains. Upon arrival, transfer to selected hotel for a 3 nights stay.
(Breakfast)

DAY 04: CUSCO

During the day, based on the selected lodge, you could enjoy some of the following guided excursions: sail in one of the region oxbow lakes seeking for unique wildlife; enjoy unique views and watch birds fly through the treetops from a canopy tower; visit a parrot clay lick to see dozens of colorful parrots and parakeets descend on the riverbank; explore the forest or bath in a cool clear stream near the lodge; enjoy a twilight river excursion seeking for nocturnal fauna; amongst others. (Breakfast, Lunch, Dinner)

DAY 05: SACRED VALLEY

In the morning, go off the beaten path and visit the authentic and picturesque villages and sites of the Sacred Valley of the Incas. First visit the scenic town of Pisac with its local colorful market. Continue exploring the incredible Archeological Complex of Pisac, one of the most beautiful monumental centers of the Incan Empire. Finally discover the secrets of the Incas at Ollantaytambo, originally a massive fortress settlement and an astounding feat of construction and ingenuity. The present town follows the original grid system and evidence of the ancient structure still remains. (Breakfast, Lunch)

DAY 06: MACHU PICCHU

Morning drive to Poroy or Ollanta and board the morning train to Machu Picchu Pueblo (former Aguas Calientes) and take a tour of Machu Picchu, the 'Lost City of the Incas', one of the most impressive ancient sites in the world. Overlooking the Urubamba River, Machu Picchu was built in the 15th century at the height of the Inca Empire. Although this "Lost City" was revealed to the rest of the world by American historian Hiram Bingham in 1911, its location was long known to locals. Its original purpose, however, remains a matter of some conjecture, as the Incas left no written records. Explore the ruins with your expert local guide and, as you wander amid the age-old stone walls, picture life as it might have been in this majestic citadel, set some 8,000 feet above sea level. In the evening, return by train to Cusco and transfer to your hotel. (Breakfast, Lunch)
